TO: All Interested Persons

1. On February 14, 2008, the Department of Public Health and Human Services published MAR Notice No. 37-429 pertaining to the proposed adoption of the above-stated rules at page 307 of the 2008 Montana Administrative Register, issue number 3, and on April 10, 2008 published notice of the adoption at page 641 of the 2008 Montana Administrative Register, issue number 7.

2. This corrected notice is being filed to correct an error in the application date of the proposed rules. The rules were proposed to be applied retroactively to March 1, 2008 in the proposal notice but the application date paragraph was inadvertently left out of the notice of adoption. The department intends the rule changes to be applied retroactively to March 1, 2008.

3. All other rule changes remain as adopted.

4. Replacement pages for the corrected notice were submitted to the Secretary of State on June 30, 2008.
